

Why join the Liberal Party

Putting your values into action

Membership gives you the chance to take part in political debates, participate in forums and discussion groups, meet our Parliamentary leaders and put your values into action.

Shaping the Party's direction

Being a Liberal Party member gives you the opportunity to have a say about the way the Party works and help shape new policies. Membership means you can attend meetings and vote on policy.

Selecting Liberal Candidates

Members play a vital role in the selection of Liberal candidates. You can have the important responsibility of directly selecting tomorrow's Liberal Members of Parliament.

Running for Parliament

As an endorsed Liberal candidate, you have the backing of the Party's organisation to promote our shared values and the Party's policies.

Campaigning locally

As a member, your energy and initiative can be directed towards winning elections. By campaigning, door knocking and fundraising in your local community, you can help win elections and Government.
